

**Chhattisgarh State Renewable Energy Development Agency**

**Announces  
One Day Meet**

**For  
Certified Energy Auditors and Energy Managers**

**About the Program:**

**Chhattisgarh State Renewable Energy Development Agency (CREDA)** is the State Designated Agency (SDA) for the State of Chhattisgarh under the Energy Conservation Act, 2001. Under the said Act, BEE has suggested some mandatory activities for implementation through SDAs, with the help of certified Energy Auditors & Managers and other Government / Private agencies, so as to effectively implement EC Act, 2001. One of the activities deals with **Conduct of State Level Meet** with Certified Energy Auditors and Energy Managers to discuss the joint progress made in the field of Energy Conservation.

The agenda for the one day program will inter-alia include;

- To improve the practice of energy management by encouraging energy auditors and managers in a continuing program of professional development and experience sharing.
- To raise the professional standards of EA/EM working in industries,
- To update the knowledge energy management related disciplines, latest energy management technologies, innovative case studies etc.

All BEE Accredited, Certified Energy Auditors and Energy Managers are requested to participate in the meet:

Venue	Date	Last date for Closing of Registration
Hotel Babylon International, VIP Road(Airport Road), Raipur	25 July 2018	(On or Before) 20 July 2018

Please note that this program is sponsored by CREDA and No delegate registration fee is charged from participants to attend it. However to attend the program Online Registration is Mandatory. EA's and EM's need to produce valid company Identity proof at the time of desk registration at venue.

All HODs are requested to kindly grant official permission to their employees, for attending the State level program.

Registration can be done through the website:  
<http://www.npcgandhinagar.in>

**Note:** Due to limitation in the venue seating capacity, registration confirmation will be done on "first come first serve basis". Therefore participants are requested to register themselves at the earliest without waiting for the last date of registration. The registration page will be closed after reaching the venue seating capacity.

**PRESENTATION ON ENERGY CONSERVATION ACTIVITIES UNDERTAKEN BY PARTICIPANTS:**

In addition to give recognition to people who are relentlessly working in the field of energy conservation in industries. Participants are encouraged to present their energy conservation efforts in the program. Any practical implementable innovative energy conservation option for efficient utilization and conservation of energy is welcome for presentation in the event. The format for making the presentation is available at the program registration page to download. Kindly submit the presentation by email with the subjectline-
