11. Any information/data submitted/rendered by the applicant/bidder if found false/ forged/wrong would entitle CREDA to reject/cancel the bid submitted by bidder.

F. INSTRUCTIONS TO BIDDER:

1. The Bidder is expected to examine all instructions, forms, terms and specifications as mentioned in the Bid document. Failure to furnish all information required by the Bid documents or submission of a bid not substantially responsive to the Bid Document in every respect will be at the Bidder's risk and is likely to result in out-right rejection of the Bid.
2. Bidder should have a valid system integrator registration in CREDA in SPV Programme.

3. LOCAL CONDITIONS:

It shall be imperative on each bidder to fully inform him of all local conditions and factors, which may have any effect on the execution of the works covered under these documents and specifications. AGENCY shall not entertain any request for clarifications from the Bidder, regarding such local conditions.

4. CLARIFICATION OF BID DOCUMENTS:

- A. A prospective Bidder requiring any clarification of the Bid Documents may contact AGENCY in writing or by Fax at the AGENCY's mailing address indicated in the Invitation for Bid.
- B. Verbal clarifications and information's given by the AGENCY or its employees or its Representatives shall not be in any way entertained.

5. AMENDMENT OF BID DOCUMENTS:

At any time prior to the submission of the bid or prior to the opening of the financial bid the AGENCY may, for any reason, whether at its own initiative or in response to a clarification requested by the Bidder, modify the Bid documents by amendments.

6. **BIDDING PROCESS-** For ease of accessing the e-bidding website and registration the following is to be done by bidder –

- A. Visit <http://www.cspc.co.in>
- B. Click on e-bidding button on right hand side of the page.
- C. The user will be directed to e-bidding page where all information regarding registration is available along with helpline details.
- D. The Bidder must submit attested copies of all legal documents pertaining to the constitution of their Concern as applicable, along with the Tender, to authenticate their identity, such as affidavit of Sole Proprietorship/Partnership Deed/ Registration Certificate/ Certificate of incorporation of the Company/Memorandum of Association of the Company and Power of Attorney authorising a person to represent the firm in all matters with respect to the Bid.
- E. Price Bid shall be submitted online only at <http://www.cspc.co.in> however technical bid will have to be submitted in hard copy. Bid Documents (including Technical Bid and samples) must reach at Office of Chief Engineer (RE – III), Head Office, CREDA latest by 11.30 AM on 06-10-2018. Tenders submitted after scheduled time and date shall not be considered.
- F. Technical Bid Documents should be submitted in prescribed manner in separate envelopes duly super scribed and placed as follows- (A) Bid Fees and EMD , (B) Eligibility Documents as per point E(1) to E(11) mentioned above (C) Technical Bid and Complete bid document in original duly signed by authorized signatory on each & every page of the bid document.
- G. The envelopes must be clearly marked as “(A) Bid Fees and EMD / (B) Eligibility Documents / (C) Technical Bid and Complete bid document in original /of “**BID DOCUMENT NO.16471/CREDA/HOR/RE-3/Solar Street Light/2018 Date 29-09-2018 DUE ON 06-10-18**”.

7. The Specifications of Solar Street Light Systems should be as specified in the bid.
8. The System must have LED Flood Light.
9. Bidder shall have to submit details of GST & PAN registration numbers issued by the appropriate authority.
10. The documentary evidence for meeting the eligibility criteria must mandatorily be submitted along as per check list with bid in prescribed manner.
11. Each offered solar module should have RFID & I-V curve measured with a sun simulator of a SPV Module Manufacturer reregistered/approved by MNRE with record of suitable calibration reference, as per guidelines of MNRE.
12. Bidders must enclose the safety procedure & manual.
13. When Technical Bid Documents & Eligibility documents are delivered through messenger, it should be submitted at Office of Chief Engineer (RE - III), Head Office, CREDA latest by 11.30 AM on 06-10-2018. Nobody is authorized to receive or grant receipt for tender delivered on behalf of CREDA.
14. Bidder should quote their rates considering variation of site conditions, variation in price of different components and keeping the quantum and quality of work in mind. If CREDA anticipates that rate is abnormally low or high, CREDA shall have liberty to amend the rates or reject the bid.
15. **VALIDITY:**
Full descriptive particulars and complete specifications should accompany the offer. Offers should be kept open for acceptance for at least three months from the date of opening. After finalization of this bid the approved rates shall be valid till one year from the date of award; however CREDA shall have liberty to increase or decrease this validity if needed.
16. The terms, conditions and specifications mentioned in bid document shall be binding on the bidders and no condition or stipulation contrary to the conditions shall be acceptable. It may please be noted that the bidders who do not accept terms and conditions stipulated in this bid documents, their offers shall be liable to be rejected out-rightly without assigning any further reasons.
17. Each page of bid document & enclosures shall be signed by the bidder and seal affixed. All the pages of the documents issued must be submitted along with the offer. In case of any corrections/ alterations in the bid, the bidder should attest the same; otherwise bids may not be considered.
18. CREDA reserves the right (i) to reject or accept any or all tenders wholly or partly without assigning any reason on the grounds considered advantageous to CREDA, whether it is the lowest tender or not and (ii) to split the quantities against the tender on more than one firm for the same items/ work. No reason will be assigned by CREDA for this and will be binding on the bidders. The bidder who had quoted the lowest price shall be preferred for placing order. Due to large quantum of work & limitation of the time period for completion of the work CREDA shall take consent from more than one bidder if they agree to work on rates standardized by CREDA. CREDA may undergo agreement with those eligible bidders who give consent to work on rates standardized by CREDA and may place work orders to them. Rates approved through this tender may be standardized for all eligible tenders to work in year 2018-2019 and shall be valid till 31-03-2019. However CREDA reserves right to curtail or extend this period.

19. Offers through Telegraph/ Fax/Emails or open offers etc. received shall be summarily rejected.
20. All the bidders shall essentially indicate the break-up of prices as shown in Price Bid. In case any of the charges are not included in the quoted prices, the same shall be clearly shown as extra, indicating specifically the rate/scale of such charges. The lowest prices quoted shall be considered.
- 21. BID DOCUMENT FEE AND EARNEST MONEY:**
Each bidder should submit Bid Document Fee and earnest money 3 Lakh for participating in bid in the form of Demand Draft/Pay Order or RTGS/NEFT/FDR/TDR as mentioned in the NIT of **BID DOCUMENT NO.16471/CREDA/HOR/RE-3/SOLAR STREET LIGHT/2018 Date 29-09-2018**, in a separate envelope else they will summarily be rejected and returned. Bid Document Fee, EMD submitted in any other form e.g. Cash/Bank Guarantee etc shall not be accepted. [Exemption from EMD shall be given only to those SSI units of Chhattisgarh State who submit the competency certificate on which it should be clearly mentioned that, “the company registered in Chhattisgarh for manufacturing of that particular product”]. CREDA Competency Certificate will not be considered as EMD for this Rate Contract Bid.
- 22. FORFEITURE OF EARNEST MONEY DEPOSIT:**
It should be clearly understood that in the event of bidder failing to enter into the agreement in the prescribed format on their quoted rates and also fails to execute assigned works within stipulations, if he is so communicated within the validity period of the offer, the full amount of earnest money shall be forfeited and bidder will be debarred from future business with CREDA. CREDA's decision in this respect will be final and binding on the bidder.
- 26. PRICE:**
The prices quoted should be firm and F.O.R. destination excluding GST payable on the bill of supply and installation / services. GST as applicable on the date of billing shall be paid additionally as per applicable rate over the above quoted prices
- 27. ENGINEERING DOCUMENT & TEST CERTIFICATE:**
Bidder must have test report/acknowledgement of respective Solar Street Light System in their names. They will have to provide copy of such test report/acknowledgement of their Solar Street Light System from NABL accredited lab or any other test centre approved by Ministry of New & Renewable Energy (MNRE). Only partial payment shall be made up to the submission of test report in which the system is declared successfully passed
- 28. SAMPLES:**
Bidders will have to submit samples of their complete Solar Street Light System for examination before 11.30 AM dtd. 06-10-2018 as mentioned in Bid Invitation Notice. These samples shall be examined by Technical Committee of CREDA.
- 29. TAX OBLIGATIONS:**
TDS for Income Tax, GST, Civil Work etc shall be recovered under various acts and deposited with the appropriate authority. Eligible bidder will have to submit break up of costs and taxes before execution of agreement with CREDA so as to ensure tax deposition as per Govt Rules accordingly.
- 30. JURISDICTION OF THE COURT:** Any dispute arising out of the contract shall be subject to the jurisdiction of court in Chhattisgarh.

G. GENERAL CONDITIONS OF CONTRACT

1. **DEFINITIONS:** In writing General Conditions of Contract, the specifications and bill of quantity, the following words shall have the meanings hereby indicated, unless there is something in the subject matter or content inconsistent with the subject.

CREDA shall mean the Chhattisgarh State Renewable Energy Development Agency represented through the CEO.

Work shall mean any work entrusted to the bidder as mentioned in the scope of work and sanction order.

The "Engineer in charge" shall mean the Engineer or Engineers authorized by CEO, CREDA for the purpose of this contract. Inspecting Authority shall mean any Engineering person or personnel authorized by CREDA to supervise and inspect the erection of the Solar Street Light System.

"The Eligible SI/ bidder" shall mean the bidder awarded with the contract or their successors and permitted assigns. Contract Price shall mean the sum named in or calculated in accordance with the provisions of the contract as the contract price. General Conditions shall mean the General conditions of Contract.

"Specifications" shall mean the specifications annexed to these General Conditions of contract and shall include the schedules and drawings attached thereto or issued to the eligible SI from time to time, as well as all samples and pattern, if any,

"Month" shall mean calendar month. "Writing" shall include any manuscript, typewritten, printed or other statement reproduced in any visible form whether under seal or written by hand.

2. **CONTRACT DOCUMENT:**

The term "Contract" shall mean and include the General conditions, specifications, schedules, drawings, work orders etc., issued against the contract schedule of price or their final general conditions, any special conditions applying to the particular contract specification and drawings and agreement to be entered into. Terms and conditions not herein defined shall have the same meaning as are assigned to them in the Indian contract Act or any other Act in vogue or by any person of common knowledge and prudence.

3. **MANNER OF EXECUTION:**

Execution of work shall be carried out in an approved manner as outlined in the technical specifications or where not outlined, in accordance with desired Specifications laid down by CREDA, to the reasonable satisfaction of the Engineer.

- i) The eligible Contractor shall conduct a detailed survey of site and submit Site Clearance and necessary documents and survey details in concerned District Office of CREDA in prescribed manner.
- ii) District / Regional Office CREDA shall examine these reports and after satisfaction forward these to concerned Chief Engineer of Head office of CREDA for approval.
- iii) The Contractor shall start work within 15 days after the date of issue of work Order. Work order will be given to the chosen System Integrator only after execution of the agreement with CREDA.

- iv) All the materials required for the installation of Solar Street Light as per Work Order issued shall be kept at site in the custody of the SI. CREDA shall not be responsible for any loss or damage of any material during the installation.
- v) All the electrical works should be done as per Indian electricity Act. The persons engaged for carrying out electrical works should have a valid license of required category accordingly.
- vi) After installation and joint inspection will be done in presence of beneficiary, SI and CREDA and after successful commissioning of Solar Street Light and its approval from CREDA a JCC will be signed and the claim will be forwarded for payments as per guidelines and procedures of CREDA.

4. VARIATIONS, ADDITIONS & OMISSIONS:

CREDA shall have the right to alter, amend, omit, split or otherwise vary the quantum of work, by notice in writing to the SI. The eligible SI shall carry out such variation in accordance with the rates specified in the contract so far as they may apply and where such rates are not available; those will be mutually agreed between CREDA and the eligible SI.

5. INSPECTION DURING ERECTION:

The Engineer in Charge or his authorized representative (s) shall be entitled at all reasonable times to inspect and supervise and test during installation and commissioning. Such inspection will not relieve the eligible SI from their obligations under this contract. Material can be inspected before dispatch by the authorized representatives of CREDA at the factory at the cost of the eligible SI, if desired by CREDA.

6. COMPLETION OF WORK:

Time being the essence of contract, the installation of the Solar Street Light shall be completed within the time schedule prescribed in the Work order.

7. ELIGIBLE SIs DEFAULT LIABILITY:

CREDA may by written notice of default to the eligible SI, terminate the contract in circumstances detailed hereunder:

- (a) If in the opinion of the CREDA, the eligible SI fails to complete the work within the time specified in the Work Order or within the period for which extension has been granted by CREDA to the eligible SI.
- (b) If in the opinion of CREDA, the eligible SI fails to comply with any of the provisions of this contract.
- (c) In the event of CREDA terminating the contract in whole or in part as provided in paragraph (a) above, CREDA reserves the right to engage another eligible SI or agency upon such terms and in such a manner as it may deem appropriate and the eligible SI shall be liable to CREDA for any additional costs or any losses caused to CREDA as may be required for the completion of erection of the Solar Street Light and or for penalty as defined under this bid document until such reasonable time as may be required for the final completion of the work.
- (d) In the event CREDA does not terminate the contract as provided in paragraph (a) the eligible SI shall continue performance of the contract, in which case he shall be liable to CREDA for penalty for delay as set out in this bid document until the work is completed.
- (e) The maximum liability of the bidder is limited to 100% of contract value.

8. FORCE MAJEURE:

The eligible SI shall not be liable for any penalty for delay or for failure to perform the contract for reasons of FORCE MAJEURE such as of God, acts of public, enemy, naxal problems, acts of government, cyclone, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes provided that the contract, shall within 10 (ten) days from the beginning of such delay notice the CREDA in writing of the cause of delay. CREDA shall verify the facts and grant such extension as facts justify. Delay in supply of any accessories of Solar Street Light by the related vendors, to whom the bidder has placed order, shall also not be treated as force majeure.

9. REJECTION OF WORKS:

In the event of any of the material supplied/ work done by the eligible SI is found defective in material or workmanship or otherwise not in conformity with the requirements of this contract specifications, CREDA shall either reject the material and/ or work and advise the eligible SI to rectify the same. The eligible SI on receipt of such notices shall rectify or replace the defective material and rectify the work, free of cost. If the eligible SI fails to do so, CREDA may,

- i At its option replace or rectify such defective materials and/ or work and recover the extra cost so involved from the eligible SI plus fifteen percent service charges of the cost of such rectification, from the eligible SI and/ or terminate the contract for balance work/ supplies with enforcement of penalty as per contract
- ii Defective materials/ workmanship will not be accepted under any conditions and shall be rejected outright without compensation. The eligible SI shall be liable for any loss/ damage sustained by CREDA due to defective work.

10. EXTENSION OF THE TIME:

If the completion of installation is delayed due to any reason beyond the control of the eligible SI, the eligible SI shall without delay give notice to the CREDA in writing of his claim for an extension of time. CREDA on receipt of such notice may agree to extend the contract/delivery date of the Solar System as may be reasonable but without prejudice to other terms and conditions of the contract.

11. MAKES OF EQUIPMENTS TO BE USED IN THE WORK:

The eligible SI has to ensure that equipments as per Technical Requirements of guidelines of CREDA as complied with. The eligible SI has also to ensure that he will use only components of approved vendors of CREDA. The material/works for which CREDA/MNRE or IEC/BIS/IS specification is not available, engineer-in-charge of the works will examine and approve the material/works, preferably of all makes on which CREDA has report of satisfactory performance. Test certificates for all major equipments should be submitted to the engineer-in-charge of the works before installation of the same.

12. WARRANTEE PERIOD AND POST INSTALLATION SERVICES:

The work done/ material supplied by the eligible SI should be warranted for satisfactory operation and against any defect in material and workmanship including Luminaries, Controllers and other balance of equipments, at least for a period of 5(five) years, from the date of commissioning of the Solar Street Light including other works as per scope of work. Warrantee on SPV Modules shall be for 10 (ten) years from the date of commissioning of the Solar Street Light must be warranted for their output peak watt capacity, which should not be

less than 90% at the end of 10 years and not less than 80% at the end of 25 years. The above warrantee certificates shall be furnished to the CREDA for approval. Any defect noticed during this period should be rectified by the supplier free of cost upon written notice from CREDA provided such defects may be due to bad workmanship or bad materials used. The warrantee period shall be extended by the period during which the plant remains non-operative due to reasons within control of the eligible SIs. This warrantee must be an unconditional onsite warrantee and the eligible SI will have to replace the defective material within 7 days positively from the date of information given to him. Care should necessarily be taken to make the Solar Street Light operational, once the reporting of the fault/non operational status is done, within a week. If the Solar Street Light is not made operational within 7 days CREDA may rectify the same at the cost of SI, and the warrantee period shall be extended for a month for the same. This warrantee must be an unconditional onsite warrantee and the eligible SI will have to replace the defective material within 7 days positively from the date of information given to him.

System Integrators shall have to establish their service stations in the state and shall have to keep sufficient quantity of spares and man power to ensure proper service network for taking care of smooth functioning of Solar Street Light System installed by them. SI shall have to give a toll free number to register complaints.

13. TERMS OF PAYMENT:

The following terms of payment shall apply for the bid: -

- a) 95% of the cost as per the work order after satisfactory supply, installation, commissioning & performance test of the Solar Street Light System at site with proper handing over. Payment will be done after receipt of Beneficiary contribution to CREDA.
- b) Balance 5% of the cost of the system as per the work order shall be retained by CREDA as Security Deposit for a period of 60 months. However the same may be released to SI on submission of bank guarantee or TDR (duly pledged in favour of CREDA) of equivalent amount in prescribed format valid for a period of five years issued by a scheduled bank. Payment will be done after receipt of Beneficiary contribution to CREDA.
- c) GST shall be paid extra as applicable on the date of billing.

14. PENALTY FOR DELAY IN COMPLETION OF CONTRACT:

If the eligible SI fails to complete the erection, testing and commissioning etc, within the phased time schedule specified in the work order or any extension granted there to, CREDA will recover from the eligible SI as penalty a sum of half percent (0.5%) of the system price of the uncompleted portion of the work for each week of delay or part thereof. For this purpose, the date of taking over shall be reckoned as the date of completion. The total penalty shall not exceed 5% (five percent) of the Cost.

Penalty may be recovered from payments due or by invocation of performance security. CREDA may also debar the SI from future business for upto 3 years in case of non performance of work in time limit.

15. PERFORMANCE SECURITY:

The Performance Security shall be 5% of the eligible payments and shall be deposited in manner under clause no. 13. For the purpose of 13(b) the EMD may be considered to be converted into part of performance security. EMD shall be refunded only upon submission of at least equal amount towards Performance Security or else EMD shall be deemed to be converted into Performance Security.

16. **INSURANCE:** The eligible SI shall arrange insurance coverage for the materials and Solar Street Light at his/beneficiary's custody for the work under execution and successful commissioning and subsequent handover to the beneficiary. The eligible SI shall take up insurance or such other measures for the manpower so as to cover the claim for damage arising under workmen's compensation Act and other applicable State/ Central laws. CREDA shall not bear any responsibility on this account.
17. **PENALTY DUE FROM THE ELIGIBLE SI:**
All costs of damages for which the eligible SI is liable to the CREDA will be deducted from any money due to the eligible SI including the security deposit.
18. **ELIGIBLE SI'S RESPONSIBILITY:**
Notwithstanding anything mentioned in the specifications of subsequent approval or acceptance of the Solar Street Light by CREDA, if any, the ultimate responsibility for satisfactory performance of the entrusted work shall rest with the eligible SI. If in any case the eligible SI does not complete the work as per the Work orders issued to them then CREDA may take over the task & complete the project at the cost of eligible SI.
19. **RESPONSIBILITY TO RECTIFY THE LOSS AND DAMAGE:**
If any loss or damage occurs to the work or any part thereof or materials/ plant/ equipment for incorporation therein the period for which the eligible SI is responsible for the cause thereof or from any cause whatsoever, the eligible SI shall at his own cost rectify/ replace such loss or damage, so that the permanent work confirms in every respect with the provision of the contract to the satisfaction of the Engineer. The eligible SI shall also be liable for any loss or damage to the work/ equipment occasioned by him in course of any operation carried out to him during performing the contract.
20. **RESPONSIBILITY TOWARDS THE WORKMAN OR OUT SIDERS:**
The eligible SI shall have to take insurance coverage from any authorized Insurance Company against Workmen compensation due under Workmen Compensation Act and submit copy of the insurance document before issuance of Sanction order. The eligible SI shall ensure all safety measures during execution and repairs of the work. CREDA, will, in no case be responsible for any accident fatal or non-fatal, caused to any workman or outsider in course of transport or execution or repairs of work. All the expenditure including treatment or compensation will be entirely borne by the eligible SIs. The eligible SI shall also be responsible for any claims of the workers including PF, Gratuity, ESI & other legal obligations.
21. **NON-ASSIGNMENTS:**
The eligible SI shall not assign or transfer the work orders issued as per this contract or any part thereof without the prior approval of CREDA.
22. **CERTIFICATES NOT TO AFFECT RIGHTS OF CREDA:**
The issuance of any certificate by CREDA or any extension of time granted by CREDA shall not prejudice the rights of CREDA in terms of the contract nor shall they relieve the eligible SI of his obligations for due performance of the contract.
23. **SETTLEMENT OF DISPUTES THROUGH ARBITRATION:**
 - i. Except as otherwise specifically provided in the contract, all disputes concerning questions of fact arising under the contract shall be decided by the Chief Executive Officer (CEO), CREDA provided a written appeal by the eligible SI is made to CREDA. The decision of the CEO, CREDA shall be final and binding to the all concerns.
 - ii. Any dispute or difference including those considered as such by only of the parties arising out of or in connection with the contract shall be to the extent possible be settled amicably between the parties. If amicable settlement cannot be reached then all disputed issues shall be settled by arbitration.

24. LAWS GOVERNING CONTRACT:

The contract shall be constituted according to and subject to the Laws of India and jurisdiction of the High Court of Bilaspur, Chhattisgarh.

Compliance with Labour Regulations-During continuance of contract, the contractor shall abide at all times by all applicable existing labour enactment and rules made there under, regulations, notifications and bye laws of state and central Govt or local authority that may be passed/issued or may be issued.

25. LANGUAGE AND MEASURES:

All documents pertaining to the Contract including specifications, schedules, notice correspondences, operating and maintenance instructions, drawings or any other writings shall be written in English / Hindi language. The metric system of measurement shall be used in this contract.

26. CORRESPONDENCE:

i. Any notice to the eligible SI under the terms of the contract shall be served by registered mail to the registered office of the eligible SI or by hand to the authorized local representative of the eligible SI and copy by post to the eligible SI's principal place of business.

ii. Any notice to CREDA shall be served to the CEO, CREDA, Raipur in the same manner.

27. SECRECY:

The eligible SI shall treat the details of the specifications and other documents as private and confidential and they shall not be reproduced without written authorization from CREDA.

28 AGREEMENT:

The successful eligible SI shall have to enter into an agreement with the CEO, CREDA in the approved contract agreement form within 07 days of the receipt of call from CREDA.

29. BID EVALUATION CRITERIA

i. Offers of only those parties who are found qualifying based on eligibility Criteria will be taken into further consideration and only those parties qualifying based of these criterion will be allowed to submit their price bid.

ii. Bids shall be evaluated on the basis of rates without GST.

iii. Grading of Bidders = L1, L2, L3.....Ln of each bid will be decided on the basis of lowest price quoted by the bidder.

iv. L-1 Rates or the rates approved by CREDA will be considered as the final rate of the project.

v. Conditional bids shall not be accepted.

vi. However CREDA shall have rights and liberty to call any /other parties to work on approved rates as and when requires in accordance with quantum of work and scheduled time limits for completion of targets.

30. ALLOCATION OF TARGETS AND AREA OF WORK

Initially all the eligible SI will be awarded with equal nos of work. However further allocations shall be made on the basis of their performance subsequently.

We (on behalf of Eligible SI/bidder) have read all the above stated details & accept to comply with it in total.

(Name, Signature & Seal of thebidder)

H. SCOPE OF WORK

The scope in brief will be as follows-

1. Survey of Sites, designing, supply, installation & commissioning of Solar Street Light Systems including necessary civil work for construction of RCC Foundation as per design and specifications approved by CREDA, on turnkey basis. Bidder shall have to take approval of the engineering documents, Bill of Materials and samples from CREDA prior to commencement of the work. Five years unconditional onsite warrantee for manufacturing defects shall be required for each of the system after successful commissioning and proper handing over.
2. The scope of work shall also includes the followings:
 - Survey of Sites, Submission of site clearance certificate where the Solar Street Light Systems are to be installed. A layout plan of the site should also be submitted clearly indicating the identified location for installation of SPV Modules, Structures and other components shall be installed. SI shall furnish all necessary information to beneficiary for Solar Street Light System Warrantee, Do & Don'ts etc. so as to avoid further misunderstandings and disputes.
 - Detailed planning of time bound smooth execution of project.
 - Design, supply, installation & commissioning of Solar Street Light System of required capacities as per design and specifications approved by CREDA, on turnkey basis.
 - Providing User Manuals and Warrantee Cards to beneficiary / CREDA.
 - SI shall have to submit JCCs within 15 days of Installation and Commissioning of Solar Street Light System in District Office of CREDA.
 - Unconditional onsite warrantee for manufacturing defects for Five years faultless operation, assure inventory for maintenance.
 - Providing Prompt Service Facilities to customers/ beneficiaries.
 - Risk liability of all personnel associated with implementation and realization of the project.
 - Training of at least two persons nominated by user, on the various aspects of design and maintenance of the offered system after commissioning of the system.
 - The eligible SI shall maintain sufficient inventory of the spares to ensure that the system can be made functional within 7 days from the communication of breakdown of the system during currency of the warrantee period.

The contractor shall run the system on trial basis and shall closely monitor the performance of the system before handing over the system, so that the assured annual power generation can be estimated for monitoring of the performance of the system. CREDA shall examine the data of generation and ascertain if the generation is adequate with reference to the capacity of the SPV Systems.

Performance Guarantee Test: Successful performance guarantee test to demonstrate the rated capacity of Solar Street Light System as per CREDA's norms shall have to be conducted by SI in presence of representatives of CREDA, if required.

I. TECHNICAL SPECIFICATIONS:

A standalone solar photovoltaic street lighting system (SLS) is an outdoor lighting unit used for illuminating a street or an open area. The Solar Street Light System consists of solar photovoltaic (SPV) module, a luminary, storage battery, control electronics, inter-connecting wires/cables, module mounting pole including hardware and battery box. The luminary is based on White Light Emitting Diode (W-LED), a solid state device which emits light when electric current passes through it. The luminary is mounted on the pole at a suitable angle to maximize illumination on the ground. Electricity generated by the PV module charges the battery during the day time which powers the luminary from dusk to dawn. The system lights at dusk and switches off at dawn automatically.

DETAILED SPECIFICATIONS

1. For 360Wp/6M High Solar Street Light System:-

Luminary: The luminary shall deliver a system lumen > 6000 lm by consuming wattage <44W. The luminary shall be with 5000K and CRI > 70. The luminary shall have a rated life of 50,000 burning hours @ L70. The luminary shall be street light made of pressure die-cast aluminium body. The bottom cover shall be polycarbonate with IP 65 and IK 08 rating. The LED shall be SMD type.

Battery: The battery used in the system shall be LiFePO₄. The battery capacity shall be 100Ah with Life cycles of 2500 cycles @ 90% DOD. The battery shall be integrated inside the square aluminium alloy pole, for which the battery compartment shall be with IP 68 protection. The Operating temperature of the battery shall be -0 to 60 °C. The size of the battery shall be 120x146x470mm and weigh not more than 12.2kg. The system shall carry a battery management system along with the battery.

PV Module: PV cell technology shall be mono-Si, which shall be mounted on four sides of the square aluminium pole. The PV module and the pole shall be an integrated system (Top mounted solar panel is not accepted). Watt peak rating per module should be minimum 360Wp / 23Voc. Solar cell efficiency (under STC) 16.40%. Number of strings on the pole shall be min 8 nos with parallel striping topology. The lifespan of the PV module shall be > 20 years. The dimension of the PV module shall not be less than 172x172x4000mm per string.

Pole: The total height of the Pole shall be 6m above ground level. Aluminium alloy bottom part shall be 2m and solar PV module part shall be 4m. Size of the square pole shall not be less than 172x172mm. The pole shall have a special locking arrangement for the battery compartment. The aluminium shall be powder coated with RAL 7043. Total nominal peak power output shall be 360Wp. The Light poles shall be EN 40-6 & CE certified. Battery compartment should be provided with lock and key mechanism for security purpose.

2. For 180Wp/4M High Solar Street Light System:-

Luminary: The luminary shall deliver a system lumen > 2000 lm by consuming wattage <27W. The luminary shall be with 5000K and CRI > 70. The luminary shall have a rated life of 50,000 burning hours @ L70. The luminary shall be circular in shape made of pressure die-cast aluminium body. The bottom cover shall be polycarbonate with IP 65 and IK 08 rating. The LED shall be SMD type.

Battery: The battery used in the post top lantern shall be LiFePO₄. The battery capacity shall be 60Ah with Life cycles of 2500 cycles @ 90% DOD. The battery shall be integrated inside the square aluminium alloy pole, for which the battery compartment shall be with IP 68 protection. The Operating temperature of the battery shall be -0 to 60 °C. The size of the battery shall be

120x146x470mm and weigh not more than 8.5kg. The system shall carry a battery management system along with the battery.

PV Module: PV cell technology shall be mono-Si, which shall be mounted on four sides of the square aluminium pole. The PV module and the pole shall be an integrated system (Top mounted solar panel is not accepted). Watt peak rating per module 180 Wp/23Voc. Solar cell efficiency (under STC) 16.40%. Number of strings on the pole shall be 4 nos with parallel striping topology. The lifespan of the PV module shall be > 20 years. The dimension of the PV module shall not be less than 172x172x2000mm per string.

Pole: The total height of the pole shall be 4m above ground level. Aluminium alloy bottom part shall be 2m and solar PV module part shall be 2m. Size of the square pole shall not be less than 172x172mm. The pole shall have a special locking arrangement for the battery compartment. The aluminium shall be powder coated with RAL 7043. Total nominal peak power output shall be 180Wp. The Light poles shall be EN 40-6 & CE certified. Battery compartment should be provided with lock and key mechanism for security purpose.

I. DRAWING OF SOLAR STREET LIGHT POLE

1. 6M High Pole:

2. 4M High Pole:

Additional Specifications:

- Thermal management of LED: Good thermal management system should be provided and LED must be mounting on heat sink conductive aluminium with suitable large areas surface by means of fins to dissipate the heat to ambient air.
- Application Standard the fixture should confirm to applicable IEC 60598-1, IEC 61000-3-2 and IEC 61547/ BIS.
- Test Compliance for LED is LM 80 (IS-16105) and Test Compliance for Fixture is LM 79 (IS-16106, IEC 60598/IS:10322).
- Power Management: Programmable per application scenarios, dynamic light profile customer specific, run time extension and Remote monitoring options to be there for future upgrade.
- The firm shall submit BIS/NABL accredited lab report to confirm parameters of LED fittings.

**K. PRICE BID – A.****Schedule of Rates for Solar Street Light Systems.**

***(As per Specifications & Scope of Work of
E.Bid Document No.16471/CREDA/HOR/RE-3/Solar Street Light/2018 Date 29-09-2018)***

Design, Supply, Installation and Commissioning of **Solar Street Light Systems** including civil work foundation and other allied works with five years on site unconditional warrantee at various sites of Chhattisgarh State as per scope of work.

No.	Description	Rate/ Unit (without GST)
1	Supply of Solar Street Light System 6 meter high with 360Wp Module/ LFP Battery (100AH at 12.8V)/ LED Luminary	
	Installation and Commissioning at site	
	Comprehensive Operation and Maintenance of Systems for five years	
TOTAL		

Certified that rates quoted above are as per the requirement, specifications, and terms & condition mentioned in the bid document.

Above rates are FOR anywhere in the State of Chhattisgarh inclusive of roadworthy packing, loading, unloading, all types of incidental expenses, insurance, duties and any other job required to properly execute the work with 5 years warrantee as mentioned in the bid document. The GST payable on the bill produced for payment to CREDA shall be paid in addition to above quoted price as per rate of GST applicable at the time of billing.

(No other cost will be claimed above the price quoted)
