The contractor shall not be liable for any penalty for delay or for failure to perform the contract for reasons of FORCE MAJEURE such as of God, acts of public, enemy, acts of government, cyclone, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes provided that the contract, shall within 10 (ten) days from the beginning of such delay notice the CREDA in writing of the cause of delay. CREDA shall verify the facts and grant such extension as facts justify.

9. REJECTION OF WORKS:

In the event of any of the material supplied/ work done by the contractor is found defective in material or workman ship or otherwise not in conformity with the requirements of this contract specifications, CREDA shall either reject the material and/ or work and advise the contractor to rectify the same. The contractor on receipt of such notices shall rectify or replace the defective material and rectify the work, free of cost. If the contractor fails to do so, CREDA may,

- a) At its option replace or rectify such defective materials and/ or work and recover the extra cost so involved from the contractor plus fifteen percent service charges of the cost of such rectification, from the contractor and/ or terminate the contract for balance work/ supplies with enforcement of penalty as per contract
- b) Defective materials/ workmanship will not be accepted under any conditions and shall be rejected outright without compensation. The contractor shall be liable for any loss/ damage sustained by CREDA due to defective work.

10. EXTENSION OF THE TIME:

If the completion of work is delayed due to any reason beyond the control of the contractor, the contractor shall without delay give notice to the CREDA in writing of his claim for an extension of time. CREDA on receipt of such notice may agree to extend the contract as may be reasonable but without prejudice to other terms and conditions of the contract.

11. WARRANTEE PERIOD:

The work done/ material supplied by the contractor should be warranted for satisfactory operation and against any defect in material and workmanship at least for a period of 2 years, from the date of handing over of the building to CREDA. This includes other related works as per scope. Any defect noticed during this period should be rectified by the supplier free of cost upon written notice from CREDA. If the work is not rectified within fifteen days CREDA may rectify the same at the cost of tenderer, and the warrantee period shall be extended for a month for the same. This is also to mention here clearly that the primary warrantee lies with the contractor who has been awarded the work by CREDA. The warrantee will be totally unconditional on site warrantee.

13. TERMS OF PAYMENT:

The following terms of payment shall apply for the tender: -

- a) 90% of the cost of work as per the work order after satisfactory completion of work with proper handing over.
- b) 10% of the cost of work after one year from the date of satisfactory completion of work or on submission of bank guarantee of equivalent amount in prescribed format valid for a period of one year, issued by any scheduled bank.
- c) The amount held under clause b) above shall be treated as Security Deposit required under para 15 below.

14. PENALTY FOR DELAY IN COMPLETION OF CONTRACT:

If the contractor fails to complete the erection, testing and commissioning etc, within the stipulated time schedule specified in the work order or any extension granted there to, CREDA will recover from the contractor as penalty a sum of one percent (1.0%) of the cost of work of the work for each calendar month of delay or part thereof. For this purpose, the date of taking over shall be reckoned as the date of completion. The total penalty shall not exceed 5% (five percent) of the contract price.

15. SECURITY DEPOSIT (SD):

2% of the cost shall be retained as SD during the warrantee period. In case the Security Deposit is in form of a bank guarantee/ TDR/FDR of equivalent amount and in the event of extension of completion date, the validity of the bank guarantee/ TDR/FDR shall also be suitably extended. The bank guarantee shall be executed in stamp paper worth Rs.250/- or as per the prevailing. The amount deposited as EMD shall also be converted into SD after agreement is done with CREDA.

16. INSURANCE:

The contractor shall arrange insurance coverage for the materials at his custody for the work under execution as per the conditions laid down in the relevant clause of the technical specification, at least till the assigned work is completed & handed over to CREDA. The contractor shall take up insurance or such other measures for the manpower so as to cover the claim for damage arising under workmen's compensation Act and other applicable State/ Central laws. CREDA shall not bear any responsibility on this account.

25. PENALTY DUE FROM THE CONTRACTOR:

All costs of damages for which the contractor is liable to the CREDA will be deducted from any money due to the contractor including the security deposit.

18. CONTRACTOR'S RESPONSIBILITY:

Notwithstanding anything mentioned in the specifications of subsequent approval or acceptance of the work by CREDA, if any, the ultimate responsibility for satisfactory performance of the entrusted work shall rest with the contractor. If in any case the contractor does not complete the work as per the orders issued to them then CREDA may take over the task & complete the project at the cost of contractor.

19. RESPONSIBILITY TO RECTIFY THE LOSS AND DAMAGE:

If any loss or damage occurs to the work or any part thereof or materials/ equipments for incorporation therein the period for which the contractor is responsible for the cause thereof or from any cause whatsoever, the contractor shall at his own cost rectify/ replace such loss or damage, so that the permanent work confirms in every respect with the provision of the contract to the satisfaction of the Engineer.
