

Ref: 5838./ CREDA/Tender.No. 4551/2026-27

Raipur, Date 07.08.26

// Clarification Notice For Tender No. 4551/CREDA/SHM/2026-27 Dated: 16-07-2026//

In continuation of Tender No. 4551 for “**Standardisation of Rates for Survey, Design, Manufacture, Supply, Transport, Installation, Testing and Commissioning of Off-Grid Solar High Mast Systems anywhere in the state of Chhattisgarh**”, bidders are informed that the GeM portal permits submission of only a single **combined rate** in the online Price Bid, whereas the tender requires separate rates (as mentioned in Page No. 41 of tender document) for:

- Supply, Installation & Commissioning of the Solar High Mast System; and
- 05 Years Comprehensive Maintenance Contract (CMC).

Accordingly, bidders shall quote the **combined rate** (Supply, Installation & Commissioning + 05 Years CMC) in the online GeM Price Bid and submit the detailed **bifurcation/breakup** of the above components in a **sealed envelope** superscribed “**Price Bid bifurcation/breakup**” along with the hard copy of the bid documents, compulsorily.

Note:

1. The “**Price Bid bifurcation/breakup**” envelope of those bidders shall be opened who are found technically and financially qualified and will be open only after opening of the online Price Bid on the GeM portal.
2. The total of the bifurcated rates shall be **exactly equal** to the combined rate quoted in the online GeM Price Bid.
3. Rest of the terms and conditions of the tender shall remain unchanged.
