

CORRIGENDUM NOTICE UNDER THE TENDER NO. 102066 DATED 13-06-2022

In continuation to the tender no. 102066 Dated 13-06-2022 for survey, design, supply, installation, and commissioning of Solar Photovoltaic Drinking Water pumps (Solar Drinking Water pumps) with five years CMC, unconditional onsite warrantee for anywhere in the State of Chhattisgarh from registered System Integrators of CREDA for SPV with 5 years track record in Solar Drinking Water Pumps. Certain amendments have been made to the terms & conditions of the bid which are as follows:-

SN	Topic/ Particular	Section/ Page No./ Clause No.	Actual Tender Clause(s)	Clarification/ Amended Clause(s)/Addendum(s)
1	Test Reports	Clause 1A, page no. 09 Clause 18(a), page no. 14	<p>TEST REPORTS OF SPV PUMPS Bidder must have original and valid test report(s) of SPV pump of 1HP solar DC pumping system with 900Wp, (min.) solar modules separately in their names. Test report(s) is mandatory for eligibility to participate in the tender. Bidder will have to provide copy of test reports and/or acknowledgement copy of such test reports of their SPV pump(s) from the solar energy test centre or any other test centre accredited by NABL. Bidder shall have to submit original test certificate/reports for the bidding pumps at the time of agreement.</p> <p>Note: In case, during the execution of the work, if the bidder/SI wishes to change the make of major components (with the same specifications in this bid) such as Solar Modules and/or Pump (and/or Pump controller), then such bidder/SI shall have to submit the test report of the entire Solar Drinking Water Pumping System with this newly proposed configuration to CREDA and only after due approval from CREDA can the bidder install such system in the field. CREDA reserves the right to allow or disapprove such new configurations as and when they are brought to CREDA's notice by the bidders/SIs.</p>	<p>It is to clarify that, if bidders have test reports for one or both SPV Drinking Water pump configurations, then they shall have to upload the same with E-technical bid and also shall have to produce original test report copies at the time of bid opening for verification purpose.</p> <p>Further, if bidder has submitted acknowledgement copy for one or both the test reports, the original copy of the test report must be produced at the time of agreement.</p>
